Hello All,

I wanted to send a reminder for our call tomorrow. USDA now prefers to have our Phoenix meeting on **Wednesday September 6th**. Please let me know if that doesn't work for you.

I've attached a very DRAFT agenda for that meeting. Please review and be prepared to discuss your comments/suggestions/edits tomorrow. I had hoped to characterize the key issues with the PER review so please let me know if this captures the larger discussion points for that meeting.

I look forward to our discussion tomorrow. Thanks,

Emmanuelle
